Features

- Auto feed takes the headache out of shredding: just stack, shut and shred. Simply put a stack of up to 80 sheets into the auto feed chamber and rollers will feed it into the cutters.
- Convenient cross-cut shredding meets everyday security needs with P-3 Level Security. Excellent for home office use.
- Smart, user-friendly Auto+ Jam Clearance feature automatically reverses and re-feeds stuck papers.
- Self-Cleaning Cutters automatically remove shreds that can cause build-up and lead to jams. Convenient Power Save Auto Shut Down feature helps conserve energy.
- 5-gallon bin provides plenty of shredding capacity. Bin-full indicator alerts you when it needs to be emptied. Ultra-quiet machine minimizes disruptions.
- Machine shreds up to 80 pages with auto feed, or 6 sheets at a time manually. Powerful enough to shred paper clips, staples and credit cards.
- GBC stands behind this high-quality shredder with a limited 2-year warranty, and a limited 5-year warranty on the cutters.
