# SHREDDER FEATURES

## Safe Shredding of CDs / DVDs

On cd-capable models, the electronically controlled shield protects the operator from stray splinters of plastic.

## Environmentally Friendly Bin

Durable, lightweight shred bins can be used with or without disposable bags.

## Capacity Indicator

Patented electronic capacity control (ecc) indicator monitors sheet-capacity levels during operation to prevent jams.

## Patented Safety Shield

Electronically controlled transparent safety shield keeps fingers, ties, and other objects away from the cutting shafts.

## Easy Switch

Multifunction control element uses optical signals to indicate operational status, and functions as an emergency stop switch.
