

# HSM V-Press 820 plus

Article Number 6143203

EAN

Pressing power 178 kN

Loading aperture width 47.05 in

Loading aperture height 21.97 in

Bale length 47.24 in

Bale width 30.71 in

Bale height (up to) 39.37 in

Bale weight, depending on material (up to) 551.15 lb

Cycle time when idling vacío 23 s

Driving power 48 kW

Voltage 480 V

Frequency 60 Hz

Width x Height x Depth 66.93 x 97.24 x 42.32 in

Weight 2865.98 lb

Number of strappings 4

Industry type Industry and Manufacturing, Logistics and Distribution, Print and Packaging, Retail

Press material Plastic film, Cardboard, Mixed paper, Punch waste/residue
