

intimus 32 At the Desk

Professional Data Shredders – a Synthesis of Technology, Performance and Design. All intimus® shredders are built from durable, precision engineered, high-performance components, designed for a long life of high volume usage. The product range covers all requirements from day-to-day office use up to High Security Shredding machines in use for destruction of classified material in line with all current legal requirements such as DIN 66399 or NSA 02/01. intimus® shredders carry various features which make them unique in user-friendliness and operating efficiency.

- Low noise level
- Automatic start/stop with light barrier
- Integrated Auto Reverse Function for easy removal of paper jams
- Illuminated indicators for stand-by, basket full, door open and paper jam
- Removable catchbasket
- Mounted on rollers for flexible use
